Defendants.

Motion to Intervene and Join

Cross filed in: MCCABE v. BARR (1:19-cv-02399) District Court, District of Columbia and STRZOK v. BARR (1:19-cv-02367) District Court, District of Columbia

Attachments are three pleadings filed and docketed in: Application of The Committee on The Judiciary, U.S. House Of Representatives, For an Order Authorizing the Release of Certain Grand Jury Materials (1:19-gj-00048) District Court, District of Columbia

Attachment Z (In upper right-hand corner): Motion to Intervene and Join 22 pages, Motion to Reconsider 8 pages and Notice of Appeal 11 pages. All pleadings have been filed and docketed with the DC Circuit Court of Appeals in four of my appeals: Electronic Privacy Information (EPIC) v. Department of Justice (19-5121) Court of Appeals for the D.C. Circuit, Judicial Watch, Inc. v. United States Department of Justice (19-5091) Court of Appeals for the D.C. Circuit, United States v. Roger Stone, Jr. (19-3012) Court of Appeals for the D.C. Circuit, Jerome Corsi v. Robert Mueller, III (19-5057) Court of Appeals for the D.C. Circuit.

Statement of Fact: Criminals are Stupid. McCabe and Strzok have confirmed that fact by filing complaints.

David Andrew Christenson has cause, standing and Constitutional Authority to Intervene and Join.

David Andrew Christenson is a victim as are all Americans. Someone has to represent the American People.

The U.S. House of Representatives, both Democrats and Republicans, do not represent, nor do they have the best interests of the American People, in this matter.

The overriding precedent is that the American People have a Constitutional Right to this incriminating information.

The Constitution, First Amendment, last sentence of the First Amendment ("and to petition the government for a redress of grievances."), Federal Law, Federal Case Law, Precedent, etc. grant me to the right to file this pleading and to have it entered into the public court record.

Special Counsel Robert Mueller is poisonous fruit and anything he prosecutes is defective. Robert Mueller has continually abused his authority throughout his career as a US Prosecutor, FBI Director and

now as Special Counsel. I have provided the court with factual, documented and verifiable proof of Robert Mueller's criminal conduct. See Attachments:

FOR THE DISTRICT OF COLUMBIA CIRCUIT

David Andrew Christenson – Appellant (Movant)

v.

Appellee – NA

(Electronic Privacy Information Center v. United States Department of Justice)

Case: 19-5121

Civ. Action No. 19-810 RBW

Notice 43 – Guilt from his participation in the Genocide of Mankind is killing Special Counsel/FBI Director Robert Mueller. A form of suicide which is now a life choice.

In the beginning Mueller may not have known what he was doing but when his name appeared on my Non-Domestic Stay Away Order, dated March 15th 2011, he then knew. He always had that nagging feeling that he was doing something wrong. I was never charged with a crime. Look carefully at the 74 names and email addresses on the Non-Domestic Stay Away Order. Why no Federal Judges? Why my attorneys and friends?

His testimony before the house was that of a guilty murderer. Mueller realized he was Hitler. He had no idea I would be so tenacious on behalf of the American People. I sent packages, letters and emails to him and his staff. I called several times and left messages.

I will honor my oath until the day that I die.

MUELLER KNOWS THAT TRUMP IS GUILTY. MUELLER KNOWS THAT IF HE PURSUES TRUMP THEN THE FIRST PARAGRAPH OF MY BOOK, THE UNITED STATES SUPREME COURT AND THE KATRINA VIRUS, BECOMES A KNOWN REALITY. THE COVERUP STOPS. MUELLER HAS CHOSEN SUICIDE OVER HONOR.

TIME, MATH, TRUMP, ETC. WILL ENSURE THAT THE TRUTH COMES OUT.

Mueller lived a wasted life.

One hundred and fifty five million Americans and Canadians may be infected with The Katrina Virus. Did the United States Supreme Court participate in the criminal cover-up? Misprision is a crime/felony. In simple terms it means that you had knowledge of a crime and did nothing. Did the Supreme Court have knowledge? YES! I gave them the knowledge. The real question is: what did the Supreme Court do with the knowledge of The Katrina Virus and the cover-up?

There was no simple way to present this story. I fully acknowledge that the material is presented in an incoherent manner. What you are reading is a compilation of my communications with the Supreme Court since my arrest for cyberstalking FBI Special Agent Steven Rayes on March 15th, 2011. It must be emphasized that I was arrested on a Louisiana Warrant (not a Federal Warrant as one would expect.) and I have never been charged with a crime. A Louisiana Search and Seizure Warrant was used by the FBI to steal my evidence, documentation, etc. of what happened in New Orleans after Hurricane Katrina. In simplistic terms chemical warfare contaminates were released from DOD and CIA classified facilities. The United States Military conducted operational missions in violation of Federal Law and killed Americans. 1500 Americans are still missing. Were the contaminated bodies recovered, analyzed and burned in Federal Government incinerators? Are some of the bodies being kept alive in vegetative states so that the Federal Government can study the long term effects of the Katrina Virus? (Remember the Syphilis Studies in Alabama and Guatemala.)

This is a Prelude/Reference Book/Appendix. The end of the story has not been written. Judgment must not be passed upon the Supreme Court at this time. The Supreme Court may have actually protected me. Think about it. Who could the Supreme Court have turned to? Congress and the Executive Branch are responsible for the murder, genocide, treason and crimes against humanity. The only option for the Supreme Court may have been to provide me with the protection needed, to not only uncover the truth about the Katrina Virus, but to bring it to the attention of American and Canadian people.

THE RELUCTANT PATRIOT

By Captain David Andrew Christenson

(Book Nine in a nine part series.)

Library of Congress LCCN 2011940256

ISBN 978-0-9846893-0-9 Hardback

ISBN 978-0-9846893-1-6 EBook

Factual, documented and verifiable account of what happened to (The Author) Captain David Andrew Christenson, United States Air Force, on March 15th, 2011.

On the morning of March 15th, 2011 the FBI brought a 30 man SWAT team, with shoot to kill orders, to arrest Captain David Andrew Christenson for a non-violent, non-domestic, non-drug misdemeanor charge (Equivalent of a DUI or DWI.) of cyber stalking FBI Agent Steven Rayes. This was done under the authority of FBI Director Robert Mueller. Misinformation was provided to the press. Six months earlier on October 14th, 2010 (This is a very important date, see below) FBI Agent Steven Rayes contacted Captain David Andrew Christenson. Why did Agent Rayes contact Captain Christenson? Agent Rayes was a member of the uniformed Violent Crimes Task Force and he was not a true investigative type FBI Agent. Captain Christenson had been communicating with FBI Director Robert Mueller, Agents David Welker, Dewayne Horner, Joseph Downing, Kelly Bryson and Paula McCants. Agent Rayes was selected by Director Mueller to be the enforcer. Agent Rayes was an ex-enlisted Marine and street cop with no conscious and was someone who would blindly follow orders understanding the illegal mission. Agent Rayes was zealous and sadistic in carrying out his orders. Agent Rayes ordered Captain Christenson to email him at his official FBI email addresses. Agent Rayes commenced to harass, stalk, threaten, intimidate and assault Captain Christenson. On November 10th, 2010 Agent Rayes assaulted Captain Christenson at the Hilton Hotel in New Orleans. There was a DVD of the assault. The FBI used a Louisiana State arrest warrant and a Louisiana State search and seizure warrant. The FBI did not use Federal Warrants. This needs to be said again. The FBI did not use Federal warrants. Captain David Andrew Christenson has never been charged with a crime. The FBI claimed that two out of more than 500 emails sent to at least 10 different FBI Agents, including FBI Director Robert Mueller, by Captain Christenson were threatening. The emails were not threatening and were consistent with previous informative and political emails. Captain Christenson never received an arraignment, a show cause hearing or a preliminary examination as is required by law. Orleans Parish District Attorney Leon Cannizzaro asked for a \$500,000.00 bond. The Orleans Parish Criminal Court gave Captain Christenson a

Attachment Z

record bond of \$300,000.00. Captain Christenson should have been released on his own recognizance or a \$10,000.00 bond. (An armed carjacker received a \$75,000.00 bond.) Captain Christenson was held for 11 days in the Orleans Parish Prison without being charged with a crime. After day three Captain Christenson was placed in isolation on the psychiatric floor of the house of detention (HOD) where he was medicated without his knowledge or consent. Attorney General Eric Holder directed Assistant US Attorney Billy Gibbens to represent Captain Christenson, which he did. Criminal defendants are not represented by US Attorneys. Billy Gibben's mission was to discredit Captain Christenson and to keep him in prison. The court record confirms this. Captain Christenson was to be permanently detained in a psychiatric hospital, medicated and discredited. The Louisiana State search and seizure warrant was used to steal evidence, legal files, the DVD of FBI Agent Rayes assaulting Captain Christenson, the DVD of the Danziger Bridge murders, etc. from Captain Christenson. United States Supreme Court files and communications and evidence of "The Katrina Virus" and pending Genocide were stolen as well.

The Department of Justice classified Captain David Andrew Christenson as a terrorist. This was done to bypass Federal Law and the Federal Judiciary. It was relayed to Captain Christenson that if he did not stop his research and quest for justice that he would be assassinated as a terrorist.

The FBI attempted to murder/assassinate Captain David Andrew Christenson while he was being held in isolation in the Orleans Parish Prison. Coast Guard Commander William Wesley Goetzee was not so lucky. He was murdered in the Orleans Parish Prison on August 7th, 2011. The FBI failed with Captain Christenson but succeeded with Commander Goetzee.

What was so important that the United States Government had to classify Captain David Andrew Christenson as a terrorist and then attempt to murder/assassinate him?

Chemical warfare ingredients, "THE KATRINA VIRUS", were released during Hurricane Katrina. The end result will be GENOCIDE for the residents of New Orleans. ("The Katrina Virus" represents all of the contaminants that were released from government research/laboratory, manufacturing and storage facilities. These facilities were controlled directly and indirectly by the Department of Defense and the Central Intelligence Agency and included public institutions such as local hospitals and medical schools. The Harvard University Medical School has been tasked with studying and tracking the long term health/medical issues and "The Katrina Virus".

The United States Military killed, executed and murdered Americans during Hurricane Katrina and after. A side note. Secretary of Defense Donald Rumsfeld had a very public disagreement with President George Bush concerning the use of the military. Captain Christenson does not recall there ever being a public disagreement between the President and the Secretary. What is strange is that the press never picked up on the disagreement. Secretary Rumsfeld already knew about what the military had done and was concerned about the liabilities. President Bush had to order Secretary Rumsfeld to send in the troops. General Russel Honore and the troops arrived five days after Hurricane Katrina. General Honore

Attachment Z

confirmed to me that he was only responsible for what the military did after he arrived and not before. He was adamant about that. Both he and Coast Guard Admiral Mary Landry lost promotions, their next star and were forced to retire. Why the five day delay when plans and procedures require the securing of an urban area within 72 hours after a catastrophe. There were several reasons for the delay. "The Katrina Virus" would disperse. The DOD and the CIA, in connection with the United States Navy, could clean up the mess without having the press around. It was brilliant the way the Federal Government kept the press occupied with the rescue missions, the superdome and the convention center. Louisiana Governor Kathleen Blanco was intentionally manipulated by the Federal Government and made into a scapegoat. FEMA Director Michael Brown was manipulated as well.

The BP oil spill. To be Written.

The Danziger Bridge. To be written.

Books Seven and Eight will start in September, 2005. The US Military arrives in New Orleans in the days preceding Hurricane Katrina. The units were issued millions of dollars in cash in satchels. Confirmed by Teresa McKay, Director of Department of Defense Finance and Accounting Service (DFAS). Teresa's husband, Jeffery McKay, and I attended the Air Force Academy together and were roommates in flight school. JK works in the Pentagon and is also one of my sources. In the days following Hurricane Katrina President Bush and Air Force One did a flyover of New Orleans but did not land. The White House issued a press release stating that security was not in place and that the President's landing would detract from the rescue missions. As an Air Force Pilot I flew support missions for the President, Air Force One and the Secret Service. I am intimately familiar with their procedures and protocols. President Bush and Air Force One did not land because The White House did not want to infect the President and his staff with "The Katrina Virus" as was confirmed by Ambassador Donald Ensenat. Security was in place and Belle Chase Naval Air Station was operational and secure. The senior leadership in New Orleans gave blood and DNA samples. This as well as other connections to "The Katrina Virus" were confirmed by Mayor Ray Nagin. After the Hurricane, USAA Insurance (A military insurance company run by Generals and Admirals with strong ties to the Pentagon.) informed us that they would be paying our claim because of the long term health issues that we would face. What did USAA know? In February, 2006 we purchased a condominium, under fraudulent circumstances, from Louis (Lee) Madere. He was the Louisiana State Grand Jury Foreman for the Danziger Bridge Murders. (*I cannot invent the truth*) The Catholic Church had filed a class action video voyeurism lawsuit against him. Madere entered the Federal Witness Protection Program on October 15th, 2010 (The important date from above.). Secretary of HUD, Mayor and Judge Moon Landrieu, the father of Senator Mary Landrieu and Mayor Mitch Landrieu, was a major source of information.

State Farm Insurance and the murder of prominent Los Angeles attorney James Robie of the Robie Matthai Law Firm. To be written. Please review your homeowner's policy. The medical liability provision of the homeowner's policy is substantial larger than the property loss provision. A \$100,000.00 home could have a \$5,000,000.00 medical liability provision. The loss to the insurance companies would be trillions of dollars if it was shown that "The Katrina Virus" was released.

A New Orleans man is in jail, booked on two charges of cyberstalking after he allegedly sent threatening e-mails to an FBI agent, **WDSU-TV reports**.

David Christenson, 53, was arrested Tuesday and remains jailed on a \$300,000 bond, court records show.

Christenson allegedly sent the e-mails after an FBI agent interviewed him last month about "inappropriate" e-mails Christenson sent to judges and their employees, the station reports.

Just what are inappropriate emails sent to official email addresses? Are inappropriate emails illegal? The 1st Amendment clearly states that an American has the right to petition the Government. NO CHARGES WERE EVER FILED AGAINST DAVID ANDREW CHRISTENSON. THE EMAILS WERE NEVER SUBMITTED INTO THE COURT RECORD. THIS PRESS RELEASE WAS A MISTAKE BY THE DOJ AND JIM LETTEN.

Twelfth Supplemental Petition for Rehearing En Banc - Notice 43 – Guilt from his participation in the Genocide of Mankind is killing Special Counsel/FBI Director Robert Mueller. A form of suicide which is now a life choice.

In the beginning Mueller may not have known what he was doing but when his name appeared on my Non-Domestic Stay Away Order, dated March 15th 2011, he then knew. He always had that nagging feeling that he was doing something wrong. I was never charged with a crime. Look carefully at the 74 names and email addresses on the Non-Domestic Stay Away Order. Why no Federal Judges? Why my attorneys and friends?

His testimony before the house was that of a guilty murderer. Mueller realized he was Hitler. He had no idea I would be so tenacious on behalf of the American People. I sent packages, letters and emails to him and his staff. I called several times and left messages.

I will honor my oath until the day that I die.

MUELLER KNOWS THAT TRUMP IS GUILTY. MUELLER KNOWS THAT IF HE PURSUES TRUMP THEN THE FIRST PARAGRAPH OF MY BOOK, THE UNITED STATES SUPREME COURT AND THE KATRINA VIRUS, BECOMES A KNOWN REALITY. THE COVERUP STOPS. MUELLER HAS CHOSEN SUICIDE OVER HONOR.

TIME, MATH, TRUMP, ETC. WILL ENSURE THAT THE TRUTH COMES OUT.

(Seventeenth Supplemental Petition for Rehearing En Banc - Notice 48)

Multiple suicides within President John F. Kennedy's and Attorney General Robert F. Kennedy's family. The latest suicide was Saoirse Kennedy Hill. She was 22 and a junior at Boston College.

Did the Kennedy's create the suicide epidemic, which is now a life choice, with their policies on Chemical Warfare Weapons? Did they create the perfect weapon? Organic, easy to disperse, dissipates in five days with the result being the opposing army committing suicide.

Were the Kennedy's assassinated because of their policies on Chemical Warfare Weapons?

New Orleans, the Chemical Warfare Industry, Senator Ted Cruz and his father, Cuban born Rafael Cruz, Lee Harvey Oswald, Carlos Marcello and his crime family, President John F. Kennedy, the suicide epidemic and the Katrina Virus are all connected through me to this point in history.

The beginning of the end started in New Orleans with the Chemical Warfare Industry and our own CIA and DOD.

Here is how strange my life is. Unbeknownst to me I worked for the Carlos Marcello crime family out of New Orleans. He was connected to the Chemical Warfare industry in New Orleans and Lee Harvey Oswald. Review his criminal history with the courts, specifically the 5th Circuit and his release from prison.

I find it odd that a sensational rag like Newsweek would not run the story. Maxwell Kutner has left Newsweek and disappeared. David Pecker (John Doe 1), friend and supporter of Trump for President, rich guy and owner of the National Enquirer, discovers the connection between Senator Ted Cruz's father, Cuban born Rafael Cruz, Lee Harvey Oswald, New Orleans, President Kennedy and the Katrina Virus. The National Enquirer breaks the story of the century and then does not pursue it. In exchange for silence Pecker gets his friend Trump elected. This is the response (attached) that I got from the National Enquirer after I sent out a blast of emails promoting the story that they were going to run. Why do you think they did not want the publicity? Pecker is as greedy as they come.

Received. Dave, I appreciated your taking the time to speak with me the other day and send me these follow-ups, but my editors said we need to hold off on doing a story unless a judge allows one of your motions to move forward. I pushed back on their decision, to no avail. I'm sorry about that and I'll let you know if things change. So, no story for now.

Thank you,

Are you really going to help me save Mankind.

One last thing. There is a hearing on July 5th, 2018. What Federal Judge has a hearing the day after the 4th of July?

You are talking about 100 plus attorneys having to cancel their 4th of July vacations. The court house would have been empty that week.

(Special) Grand Jury being used by Special Counsel Robert Mueller
United States District Court for the District of Columbia
United States District Court for the Eastern District of Virginia

January 16th, 2018

Jury Members,

The evidence, Genocide, of criminal conduct by Special Counsel Robert Mueller and his team of prosecutors that you are about to review is unbelievable and yet it is factual, documented and verifiable. You are Mankind's last hope.

The Federal Judiciary, including the Supreme Court, are active participants in the criminal enterprise that will result in the Genocide of Mankind.

My name is David Andrew Christenson (Federal Whistleblower and Military Officer) and I have filed, in accordance with the Constitution and specifically the last sentence of the First Amendment, "and to petition the Government for a redress of grievances" multiple Motions to Intervene in this court as well as other courts on behalf of the American People and that includes you and your family.

Mankind will cease to exist by October 12th, 2050. This is not a prophecy or prediction but a mathematical certainty.

Special Counsel Robert Mueller currently has three criminal cases filed and has one civil case filed against him. The court refuses to publicly docket my Motions and more importantly they have refused to publicly docket my Notices of Appeal. I am fighting to save my country and Mankind and the court has censored me. The Constitution, Federal Law and precedent grant me the right to publicly file such Motions, Notices and Grievances.

Please review the docket for each of the cases.

The prosecutors that are presenting evidence to you are some of the evilest people on this planet. They make Hitler look like a Saint. Your loved ones will pay the ultimate price for the cover up that is taking place. I beg you to save your family, your country and Mankind.

Godspeed.

(Special) Grand Jury being used by Special Counsel Robert Mueller
United States District Court for the District of Columbia
United States District Court for the Eastern District of Virginia

January 25th, 2018

Jury Members,

Please don't judge me. I have no money. I own nothing and have nothing. There is no school or book about how to do what I am doing. I have no God, no country, no family and no friends. Everyone and I mean everyone that had an ethical, moral and legal responsibility to help me not only turned their backs on me but they intentionally harmed me. Your government has made sure that I don't have the resources to fight. Every attorney that tried to help was threatened by the DOJ and then quit. Google and YouTube stood by me for a while but the pressure from Robert Mueller became to great. If I was wrong why did they falsely arrest me and place me in isolation for 11 days where they medicated me against my will and yet I was never charged with a crime. I had an FBI Agent put a gun to my head with the safety off and the hammer pulled back. He told me he could and would kill me if I didn't stop and that he would get away with it. I knew he was telling the truth. When I asked if Mueller knew he laughed and stated that it was Mueller that gave the order.

Please review the attached docket which is 11 pages long. The clerk will provide you access to all of the pleadings. The most important notes are as follows:

The judge in the case refuse to publicly docket my pleadings at the District level. This was a class action complaint filed on behalf of all Americans and that includes you and me. I had standing and cause because I was directly harmed. Notice that the DOJ never filed a response. Notice that the DOJ never filed a response even when ordered to on multiple occasions. The court represented the DOJ and refused to hold them accountable. Notice that the original complaint was filed by Larry Klayman and was politically motivated. My motions were filed to help all Americans.

The court dismissed the appeal as being frivolous. If it was so frivolous why did they allow me to file hundreds of pages of documents over a seven-month period. Why did they not demand a response from the DOJ, even after ordering them to respond, when it is required by law.

The result is the Genocide of Mankind. Math and time are on my side and the truth will come out. The problem is people are immune to such things and will not do anything to correct the Genocide.

Help me to help you save Mankind. Your government has convinced you to run to the cliff and jump and you are doing just that. You make the decision after reading what I filed. The courts will no longer allow me to be heard and they have censored me.

Read the Declaration of Independence and the Constitution and remember that our country was founded by Terrorists. We call them heroes because they prevailed. The Declaration of Independence talks about tearing our government down and starting over when it no longer serves the needs of the people. That time is now. Thomas Jefferson said: "Tyranny is when the people fear the government and liberty is when the government fears the people."

The first page is the results of this week's influenza and pneumonia mortality surveillance results from the CDC.

<https://www.cdc.gov/flu/weekly/index.htm>

The results are for the week ending January 6th, 2018. Remember that it is the CDC that sets the rate for what we call an epidemic. Influenza and pneumonia, Alzheimer's, suicide, murder(s)-suicide will be the top three causes of death in the near future and all are tied to the destruction of our immune system.

America is 26% above the epidemic level that is set by your government through the CDC. According to International Standards we are at Pandemic levels.

Pneumonia and Influenza (P&I) Mortality Surveillance:

Based on National Center for Health Statistics (NCHS) mortality surveillance data available on January 25, 2018, 9.1% of the deaths occurring during the week ending January 6, 2018 (week 1) were due to P&I. This percentage is above the epidemic threshold of 7.2% for week 1.

Background: Weekly mortality surveillance data include a combination of machine coded and manually coded causes of death collected from death certificates. Percentages of deaths due to P&I are higher among manually coded records than more rapidly available machine coded records. Due to the additional time needed for manual coding, the initially reported P&I percentages may be lower than percentages calculated from final data. Previous longer backlogs in manual coding have been resolved and death records are now coded within 10 days from receipt of a death record by NCHS.

Region and state-specific data are available at <http://gis.cdc.gov/grasp/fluvview/mortality.html>.

Godspeed.

Jury Members,

After reviewing the documented, factual and verifiable evidence you will indict the President, Vice President, all of Congress and all of the Federal Judiciary. Their crimes will be Genocide, Crimes Against Humanity, Murder, Treasons, Sabotage, etc. We are talking the end of Mankind.

The Secret Grand Jury transcript that I received was forwarded by me to the Supreme Court. I received the transcript from US Attorney Billy Gibbens. Compare my notes with the transcript. As with you the guy testifying did not even know what he had seen.

My Motion to Reopen the BP Settlement has been docketed in multiple Federal Courts. Every Judge in the United States knows about it. My appeal, believe it or not, is still pending. I attached the docket. You can review every pleading.

I have also included one of my pleadings from the BP Oil Spill that incriminates the Supreme Court.
Case: 16-30918 Document: 00513737661 Page: 1 Date Filed: 10/27/2016

Here is further proof that we nearing the end of Mankind's existence. We have a vaccination for everything. We have become bubble people. We vaccinate the hell out of our military and the result is suicide(s) and murder(s)-suicide(s). This is Federal Desensitizing Propaganda. Once a story like this comes out it is not long before we have an epidemic. People become immune to stories like this.

I was part of the clinical trials for the vaccination as was the entire United States Air Force Academy Cadet Wing (over 4000 cadets.) The vaccination took place in the fall of 1980 at the Air Force Academy. The results were so severe that they had to shut down the Academy and quarantined the Cadet Wing for three days. Ambulances were continually running to the hospital with sick cadets. We are talking about 18-24 young men and women who are in excellent physical shape and have very strong immune systems. An infectious doctor told me that if they gave that vaccine to the general population that 80% of them would have died.

There's another bad virus going around that is not the flu

<https://www.msn.com/en-us/news/us/theres-another-bad-virus-going-around-that-is-not-the-flu/ar-BB1lt7b?li=BBmkt5R&ocid=spartandhp>

It looks like flu. It feels like flu. It even puts patients into the hospital like flu can.

There's another virus out there that could be adding to the seasonal misery, but it's not being identified. The virus is called adenovirus, and it can cause very severe flu-like symptoms. It's so risky that the U.S. military vaccinates recruits against two major strains.

But most people are not vaccinated against adenovirus, and doctor's offices don't test for it. Adriana Kajon, Ph.D, wants that to change.

"Unless you look for it or you suspect it's circulating or you are using diagnostic testing capabilities that can tell it apart, you are going to miss it, especially during flu season," said Kajon, an infectious disease specialist at the Lovelace Respiratory Research Institute in Albuquerque.

"We are seeing severe adult infections," Kajon told NBC News.

"That's a big deal, especially for a disease that by all means is vaccine preventable. But this vaccine is not licensed to be used in civilians."

Adenovirus infections often look like the common cold, or influenza. They cause fever, headache, body aches and sometimes but not always cough, stomach distress and breathing problems. Some strains cause eye infections. There are 52 different strains.

Attachment Z

Attachment 1

Kajon and colleagues collected details of adenovirus infections between 2011 and 2015 at colleges, in nursing homes and elsewhere.

"On the basis of the severity of the clinical presentation of some cases in this study, the (adenovirus) vaccine currently licensed for military use should be considered a potentially valuable resource to prevent disease in susceptible populations living in closed communities, such as college settings, summer camps, and long-term care facilities," they wrote in a report published this week in the journal *Emerging Infectious Diseases*.

An outbreak of adenovirus killed 10 people in 2007. Kajon's team tested college students at one campus during the severe 2014-2015 influenza epidemic and found 13 out of 168 students who came in for flu treatment had adenovirus infections.

Most patients may not suffer much, but the virus can cause very severe complications. Kajon and colleagues described the case of a 43-year-old Rochester, New York woman, previously healthy, who became infected in 2012 and quickly developed pneumonia and respiratory failure. During her hospital stay she suffered brain swelling and bleeding and stayed on a ventilator for more than a month.

A year later, she was still out of breath if she exerted herself.

There was also the case of a 26-year-old Connecticut man infected in 2011 who had nausea, vomiting and chills. He spent days in the hospital with adenovirus infection.

There have been outbreaks in long-term care facilities, also. But most clinics don't test for adenovirus unless people are hospitalized with severe illness that isn't helped by immediate treatment, Kajon said. "These reports are probably the tip of the iceberg. We need more surveillance," she said.

The Centers for Disease Control and Prevention keeps a log of reported cases of adenovirus.

"Outbreaks are more common in late winter, spring, and early summer but can occur throughout the year," the CDC said.

There were so many outbreaks among new military recruits that the Department of Defense vaccinates personnel against two of the more serious strains with an oral vaccine. Vaccination was stopped for a few years in 1999 and outbreaks soared again, but there haven't been many since the vaccine was re-introduced in 2011, the CDC said.

Kajon believes it should be more widely available,

"This is a vaccine-preventable disease," she said. "A life is a life. Losing a loved one to viral pneumonia when you know it could have been prevented is hard."

In the U.S., however, that requires catching the interest of a company that might want to develop such a vaccine commercially. "Unfortunately, it all comes down to the perception of having a market," Kajon said.

Adenovirus is not the killer that influenza is. Influenza kills between 12,000 and 50,000 people a year in the United States alone, and puts up to 700,000 in the hospital. A cocktail of other viruses, from coronaviruses to rhinoviruses, also cause seasonal misery.

But Kajon said her studies show adenovirus can be a significant part of the mix.

As with many viruses, there's not a good treatment for adenovirus, although the antiviral cidofovir has helped some people with severe infections.

And adenoviruses are very hard to kill. Reports indicate they can survive on plastic and metal surfaces— think countertops and hospital tables— for a month. Some formulations of alcohol and chlorhexidine do not kill them easily, tests have shown, although chlorine does.
